— WINTER 2015 —

FOJH – FROM THE CHAIR

Tracy Falkowitz
Chair

This year has brought many changes and successes to Joshua House. Our children have enjoyed the new playground area specifically built for our older children. It is wonderful to watch our tween and teen kids enjoying each other's company outside while exercising and just hanging out. Additionally, our teen Girls continue to learn life skills and discover their own self-worth. Our Boys are striving to be powerful young men without the need for the violence that many have experienced. All of our children are achieving in their studies, dreaming of the future and working toward their goals.

At this time of year, we reflect on the extraordinary generosity of our donors who have allowed us to care for these foster children. The generosity of our community toward these abused and neglected foster children is overwhelming. From the individuals who provide a Christmas dinner to the large corporate groups who have painted and spruced up the property and the small businesses who donate their services to keep our program

running, the list of caring people and companies in Tampa Bay is astounding. We truly could not help these children without the outpouring of time, talent and treasure. Thank you.

Friends of Joshua House Foundation is excited to continue to support the challenges of our children. We hope that you will continue to watch the success stories unfold with us. Please keep all of the children of Joshua House in your heart, your prayers and your thoughts throughout the holidays.

Happy holidays and a blessed new year!!!

Tracy M. Falkowitz

FOJH – FROM THE EXECUTIVE DIRECTOR

DeDe Grundel
Executive Director

'Tis the Season again! I love this time of year, even though it seems to creep up on me so quickly. It feels like just yesterday that we were planning summer activities and now we are preparing for the Holidays and a New Year.

I am so thankful for all of you! Joshua House continues to celebrate unprecedented success because of your support. The list is impressive as we all celebrate improved grade point averages and school attendance because of the Earn to Learn project; soaring self esteem because of the Junior League's Girl Power project; and improved mental and physical health because of the new (and really cool) playground equipment and the LAMPLighter's Healthy Choice program. The list could go on and on. Just know that the Joshua House residents have lots to celebrate!

When the founders first dreamed of the concept of Joshua House, they thought only of the children that needed a safe haven. They never dreamed that Joshua House would evolve to be so dynamic and enriching for the children that call it home.

We still carry on the original principles established by our fabulous founders, but the scope of services continue to broaden as we address the myriad of needs that come with the children served at Joshua House. When I say we, I am

including you, our supporters; this community, Children's Home Society of Florida, Joshua House staff and volunteers, Child Protective Services, our public schools, and all of child welfare services. The landscape of Joshua House has changed considerably, yet it continues to be a superior place for foster children.

I thank you again for being part of this evolution to not just meet, but to greet with open arms the challenge of helping children and teens that have been abused, abandoned, and neglected. Thank you for helping Friends of Joshua House Foundation and the Children's Home Society of Florida provide a home like atmosphere with therapy and understanding to children that flounder in traditional foster homes due to emotional trauma. Healing them and giving them the tools to flourish is Joshua House's priority. Together, we have changed many lives. We look forward to continuing our friendship for many more years to come.

Here is to Happy Holidays and Happy Children!

D. Grundel

SCHOOL SUPPLY DRIVE RECAP

- New socks and underwear?
- School-approved uniforms?
- Shoes that fit?
- "Cool" backpacks?
- Folders with 3-prongs in 5 different colors – one for every subject?

The lists were long and detailed, but all children served at Joshua House started school with the clothes and school supplies that they needed to be ready for a great school year – thanks to generous and thoughtful donors like you. Companies, organizations, individuals – and even other children – donated items from our list to make sure our children have the tools they need to be successful. Thank you to everyone who donated and also to the wonderful volunteers who helped shop and sort the supplies and clothing for our children. What a fabulous team the Joshua House kids have!
